closely. There is another ledger account that the average man entirely forgets to his own undoing. It is his account, for its a "life and death" account. It is a man's duty to himself and family to look up this account once every day and see that the balance is on the right side.

It doesn't pay to let this account run on, and have it debited with indigestion, and then impure blood, and finally nervous exhaustion, or prostration, or deadly consumption. When these diseases come it means a debit balance with death brought down in the blood red ink of another life sacrificed on the altar of foolish overwork and neglect of health. Dr. Pierce's Golden Medical Discovery makes the appetite keen, the digestion perfect, the liver active and the blood pure. It is the great blood-maker, flesh-builder and health-forger. It makes from healthy flesh, but does not produce corpulence or raise the weight above nature's normal. It cures of per cent, of all cases of consumption, bronchial, throat and catarrhal affections. Honest dealers don't urge substitutes.

"My wife had suffered for seven years with dyspepsia, sick healache and costiveness," writes Mr. Alonzo D. Jameson, of Dunharton, Merrimnack Co., N. H. "We tried many doctors and many kinds of medicine, but all were of no avail. We purchased six bottles of Dr. Pierce's Golden Medical Discovery, which together with the 'Piensant Pellets, has entirely restored my wife's health. We cannot say enough to you in thanks for these valuable medicines."
